BIG DEBATES IN ASSISTED REPRODUCTIVE TERCHNOLOGIES

10 - 11 DECEMBER 2026
SHERATON HOTEL
CLUB DES PINS ALGIERS

THURSDAY 10th DECEMBER 2026

07:30 - 09:00 Welcome and registration

PRE-CONGRESS SESSION

09:00 - 12:00	**PRE-CONGRESS 1 :** Hands-on pick-up and embryo transfer	Amel Bouchetaoui Kamelia Maouche
09:00 - 12:00	**PRE-CONGRESS 2 :** Semen Analysis : From Laboratory Results to Clinical Interpretation	Nadjia Boucekkine Malik Oumeziane
09:00 - 12:00	**PRE-CONGRESS 3 :** Ovarian stimulation protocols	Samia Mouhoub Nacereddine Achour
09:00 - 12:00	**PRE-CONGRESS 4 :** From manuscript to submission writing with AI without handing over the pen	Sarah Helal

MAIN PROGRAM DAY 1

13:30 - 13:45	**INAUGURATION**	
13:45 - 14:15	**Keynote lecture :** The ethics of Assisted Reproductive Technology : Where do we draw the line ?	Keltoum Messahli
14:15 - 14:45	**Keynote lecture :** The evolution of ovarian stimulation in IVF/ICSI : from conventional protocols to personalized approaches	Christophe Bolockeel

ANDROLOGY

14:45 - 15:05	The aging father : how does paternal age shape reproductive outcomes	Nicolas Garrido
15:05 - 15:25	Beyond conventional Sperm Selection : emerging technologiesband future perspectives in ART	Nicolas Garrido
15:25 - 15:45	Management of eleveted Sperm DNA Fragmentation in infertile patients, retrospective study	Salaheddine Kerfa
15:45 - 16:05	Micro-TESE : Predicting the unpredictable? from prognostic factors to clinical decision	Nazim Gherabi
16:05 - 16:15	DISCUSSION	

16:15 - 16:45 Coffee break

FROZEN EMBRYO TRANSFER

16:45 - 17:05	Freeze all for all, freeze all for some: rethinkining the strategy in ART	Christophe Bolockeel
17:05 - 17:25	Does hormonal profile during letrozole endometrial preparation influence pregnancy outcomes in frozen embryo transfer	Amina Oumeziane
17:25 - 17:45	Thought on the popularity of embryo vitrification : the technical essence and its impact on IFV/ ICSI outcomes	Karima Djerroudib
17:45 - 17:55	DISCUSSION	

IMAGING IN INFFERTILITY

17:55 - 18:15	Uterine cavity in implantation failure: what are we missing on imaging ?	Fatima Ait Idir
18:15 - 18:35	Uterine junctional zone: the missing link between adenomyosis, implantation failure and reproductive outcomes ?	Valentina Chiappa
18:35 - 18:55	Beyond Imaging: The Added Diagnostic Value of Hysteroscopy in Implantation Failure	Lamia Benamer
18:55 - 19:05	DISCUSSION	

19:30 Gala dinner

BIG DEBATES IN ASSISTED REPRODUCTIVE TERCHNOLOGIES

10 - 11 DECEMBER 2026
SHERATON HOTEL
CLUB DES PINS ALGIERS

FRIDAY 11th DECEMBER 2026

09:00 - 09:30	**Keynote lecture** Artificial Intelligence in reproductive medicine : revolution or hype?	Emine Reda Sais

MAIN PROGRAM DAY2

ENDOCRINOLOGY

09:30 - 09:50	PMOS: a new name, a new concept, or simply a better understanding ?	Chahinaz Hadj Slimane
09:50 - 10:20	Recurrent Implantation Failure: beyond the embryo, beyond the endometrium - rethinking our clinical approach	Ibrahim Wada
10:20 - 10:40	IVF Add-ons in older women: between hope and evidence	Abdelhamid Benmachiche
10:40 - 10:50	DISCUSSION	
10:50 - 11:20	Coffee break	
10:20 - 12:00	**MERCK Symposium** : Identifying the right gonadotropin for the right patient segment : Patients below 35 and above 35	Biljana Popovic Todorovi
12:00 - 13:30	Lunch break	

ENDOMETRIOSIS - FERTILITY SURGERY

13:30 - 13:50	Endometriosis and fertility: finding the right balance between surgery and assisted reproductive technology	Jasper Karel Verguts
13:50 - 14:10	Fertility preservation in women with endometriosis: are we doing enough	Jasper Karel Verguts
14:10 - 14:30	Cesarean scare and infertility association causation or an overlooked reproductive factor ?	Amel Dammene Debbih
14:30 - 14:50	Tubal surgery : at what cost to ovarian reserve	Zahra Farah
14:50 - 15:00	DISCUSSION	

EMBRYOLOGY

15:000 - 15:20	Does day 3 transfer still have a place in 2026 ?	Nadjia Boucekkine
15:20 - 15:40	Blastocyst transfer: the gold standard or not ? a one-size-fits-all strategy	Maria Jose de Los Santos Molina
15:40 - 16:00	Should day 3 embryo morphological quality be taken into consideration when performing a day 5 embryo transfer?	Aicha moubarek
16:00 - 16:20	Role of the ZP1 Gene in the occurrence of empty follicle syndrome in Algerian patients	Nourine Besma Hibat Allah
16:20 - 16:30	DISCUSSION	
16:30 - 17:00	Coffee break	

FERTILITY PRESERVATION

17:00 - 17:20	Cancer in Algeria's reproductive-age population: current status, challenges and perspectives	Asma Kerboua
17:20 - 17:40	Fertility preservation in 2026: where do we stand and what lies ahead	Samira Barbara
17:40 - 18:10	Round table discussion: cancer care specialists and reproducive doctors	
18:10 - 18:20	TAKE HOME MESSAGE AND CLOSING
